* OCONUS (OUTSIDE OF CONTRACTOR'S SERVICE AREA SURCHARGE):
The rate displayed in the ADP SERVICES RATE SCHEDULE represents the "base" rate; i.e., the rate to be charged for the Contractor's Service Area (defined on page 3, as the 48 contiguous states, Hawaii and the District of Columbia). Should SIN 132-51 be required at a geographic location outside the Contractor's Service Area, at a U.S. Government installation or agency, an additional charge ("Geographic Surcharge") is added to the base rate. The Geographic Surcharge is based upon prevailing practices for the companies such as PRC providing services in the Geographic Surcharge location, and will be established at time of task award.
