<b>Onsite Training is available at consulting rates-minimum four hours maximum 20 people per class*- Does not include travel and expenses-all attendees must be registered users of AccRepair.</b>					

All services labor rates shown above do not include travel expenses, which will be billed in accordance with the Joint Travel Regulations.

Purchases of professional services and training do not count towards cumulative product discount levels.

The reduced pricing for the higher levels will be available on the first day following achievement of the required dollar value. The Contractor is responsible for the tracking of the cumulative value and timely notification to the Government when the \$250,000.00 and \$500,000 discount levels are achieved.

\*Purchases through this BPA include one-year of software upgrades/maintenance for product updates and new releases. Software maintenance is priced at 15% of license cost for subsequent years.

\*\*HiSoftware Software licenses include telephone and e-mail support and installation in accordance with attached support documentation. AccRepair has a feature called "AutoUpdater." AutoUpdater allows the user to download the latest maintenance and minor releases for the HiSoftware products they own. The user downloads new versions with this feature with no call to HiSoftware Sales or Support or a visit to the HiSoftware Web site to search for the latest release. SPECIAL PURCHASE INCENTIVE- Any one-time 100-seat implementation of AccRepair includes one (1) copy of AccVerify Server (100,000 document license per server and 10 Webs per server) with AccRepair Plug-in (valued at \$2,590.)
