1. The Army and DISA are now participating in the Fee Sharing Program. Paragraph B6 b. of the Contract is hereby updated as follows to reflect this change:

b. Fee Distribution. The Army, Air Force, DISA and Navy are participating in a fee-sharing program. The contractor shall collect the 2% ACT fee and distribute in accordance with the following procedures. Fee sharing shall be determined by the End User Agency or Service identified in the monthly Report of Sales. This field shall be notated Army, Air Force, DISA, Navy or DoD as appropriate. Do not issue fee checks until written approval is received for the Report of Sales.

ALL SALES:

The 2% ACT fee is split equally between the DoD Component whose customer places the order and the DoD Component that manages the ESI agreement. In other words, any Army, Air Force or DISA order placed against an ESI agreement managed by the Navy results in a 1% portion of the 2% fee being returned to the component's acquisition organization that placed the order (see each component's sales information herein). The Navy will retain the entire 2% fee under orders issued for Navy activities or those activities that do not collect a fee under the ESI agreements managed by the Navy. The contractor is responsible for distributing the ACT fee to all applicable Services in accordance with the instructions herein. The amount of ACT Fee due the Financial Management Office (FMO) shall be calculated at 1% for Army sales, 1% for Air Force sales, 1% for DISA sales and 2% for all other sales
