

CONTRACT DATA REQUIREMENTS LIST

1. Sequence Number: F001
2. Title or Description of Data: Risk Assessment (Internal)
3. Subtitle: Technical Report
4. Authority: OT-90-32-139
5. Contract Reference: Section C, Paras C15.2, C16.5.1.2, C42.5; Attachment 7
6. Technical Office: HQ AFIC, AFCSC SRV, San Antonio, TX 78243-5000
7. DD 250 Req: LT
8. APP Code: AD (See Item 16)
9. Input for 1A):
10. Frequency: ONE/R
11. As of Date:
12. Date of 1st Submission: 120 days after issuance of initial delivery order
for CLIN 1007. 120 days after issuance of initial delivery order of updates to CLIN 1007. Draft for Government review and comment will be provided 60 days after issuance of delivery order. The Government comments will be provided to the Contractor within 30 days after receipt of each draft. Revised draft or final report, as applicable, is due within 30 days after receipt of Government comments.
13. Date of Subsequent Submission/Event ID: Final delivered with software for CLIN 1007.
14. Distribution & Addressee (Addressee - Regular Copies/Repro Copies):
 - a. Initial delivery to: HQ AFIC, AFCSC/SRP
San Antonio, TX 78243-5000
(1/0)
 - b. Subsequent delivery to: As identified on delivery order
(1/0)
15. Total: 1/0
16. Remarks:

Note: This documentation must cover each operating system (i.e. Single-user Workstation, Multiuser Workstation, Network Server, and Super-minicomputer).

Item 8. Distribution statement shall be: "Distribution limited to US Government Agencies only; other requests for this document shall be referred to HQ AFIC, AFCSC/SRV, San Antonio, Texas 78243-5000."

Item 14. Classified Material: Some portions of the Technical Report may be classified. If the majority of the Technical Report is classified, then include the classified material in the body of the Report at the appropriate places. If only a relatively small portion of the Technical Report is classified, then provide an unclassified synopsis in the body of the report and provide the specific references where additional detailed information may be found. If the synopsis must be classified, place the synopsis in an appendix to the Technical Report where it can be readily detached to make the remainder of the Technical Report unclassified.
